

HUI UPPED AT MINDS EYE ENTERTAINMENT, DONAHUE MOVES TO ROCKET FUND

March 8, 2011 (Regina, CANADA) – Minds Eye Entertainment, one of the largest film and television production companies in Western Canada, announces Lisa Donahue's departure from the position of Business Affairs Manager.

Donahue, who was recently credited on the Minds Eye Canada-France Treaty Co-productions *FACES IN THE CROWD* (starring Milla Jovovich) and *THE TALL MAN* (starring Jessica Biel), amassed an aggregate of twelve years with the company, first from 1994-2004, and more recently from 2009 onward.

Donahue's producing credits include three documentaries for the VisionTV thread, *I PROPHECY - THE FUTURE REVEALED*, and, *The Saskatchewan Centennial Gala*, broadcast live on CBC on May 19, 2005.

Minds Eye's Becki Hui, who has been working alongside Donahue since her return in the company's business affairs department since June 2009, has been promoted as Donahue's replacement.

Donahue has accepted the position of Manager of Business and Legal Affairs for the Shaw Rocket Fund. "This is a fantastic opportunity for Lisa. It is always very rewarding for me to see our employees' careers grow and they assume such prominent industry positions. It's a real testament to the quality and caliber of the roster of individuals we have on our team", says CEO and President, Kevin DeWalt on Donahue's new post.

"We couldn't have found a better candidate to carry on Lisa's (Donahue), work. Becki has been an integral member of the Minds Eye team and has been an essential part of two of the most difficult and complex closings (on films *THE TALL MAN* and *FACES IN THE CROWD*), we have ever gone through in our 25 year history as a company. She's more than up for the challenge", offered DeWalt on the changing of the guard.

ABOUT MINDS EYE ENTERTAINMENT

Established in 1986, Minds Eye Entertainment is now one of Canada's most prolific independent production and distribution companies, internationally recognized for its commitment to distinctive film and television product and expertise navigating international treaty co-production and financing.
