

MINDS EYE TO DEVELOP FEATURE FILM *TAGGERS*

(Regina, SK) November 3rd, 2014 – Minds Eye is developing the feature film *Taggers*. Filmmaker Rob King will write and direct as well as produce alongside Kevin DeWalt.

The story of *Taggers* revolves around two young graffiti artists who live off the grid, panhandling and dumpster diving to survive. They soon find themselves in the crosshairs of a violent criminal gang and dream of escaping to a safe place, but it's a dream that could also get them both killed.

Producer Kevin DeWalt says, “*Taggers* is a compelling story about modern day artists with both a social and political message that we think audiences would really enjoy”.

Development Support has been provided by Saskatchewan Screen Based Media Content Development Grant.
