***The Recall*, Starring Wesley Snipes, Now Available On Amazon and Redbox**

(LOS ANGELES) - Amazon Prime Video has secured domestic SVOD rights to **The Recall**, the sci-fi thriller from Minds Eye Entertainment starring Wesley Snipes. **The Recall** is now available in the US on Amazon Prime Video. **The Recall** is also available for rent on Redbox, America's leading destination for affordable, new release movie and video game rentals. Redbox has more than 43,000 kiosks nationwide, with more new kiosk installations planned in 2018.

"We are thrilled with the distribution deals we have secured with Amazon and Redbox," said Kevin DeWalt, CEO and Producer at Minds Eye Entertainment. "While our theatrical distribution was geared toward VR enthusiasts and early technology adopters, our deals with both partners will now allow us to deliver this unique film to the masses."

Both deals were brokered by Freestyle Releasing.

Directed by Mauro Borelli, **The Recall** stars Wesley Snipes and *Breaking Bad*'s R.J. Mitte and centers on a group of friends vacationing at a remote cabin lake house. When aliens attack Earth, the friends are forced to rely on an eccentric and mysterious hunter (Wesley Snipes) with special knowledge of the attack.

The Recall premiered in June 2017 with a 2 week exclusive in Barco Escape's panoramic, multi-screen theaters across North America. The film broke new ground for immersive cinema experiences as the first movie shot natively for Barco Escape to release in theaters. Portions of the film were also shot in Virtual Reality to create [Abduction](#), a 12-minute Virtual Reality short featuring Snipes that brings audiences into an alien invasion through the eyes of co-star R.J. Mitte's character. Following the VR release and a two-week exclusive theatrical window in Barco Escape, *The Recall* opened in select 2D theaters.

Minds Eye Entertainment produced *The Recall* in association with Bridgegate Pictures Corp, VMI Worldwide and Invico Capital Corporation. Freestyle Releasing is handling North American distribution and VMI Worldwide is distributing internationally. For more information about *The Recall* please visit: <http://therecallmovie.com/>.

Feature film production on *The Recall* was shot in multiple formats including Barco Escape and made possible through the Creative Saskatchewan Screen-Based Media Production Grant Program, with the participation of the Province of British Columbia Production Services Tax Credit and Canadian Film or Video Production Tax Credit.
